Jensen Chair

Before you start

Thank you for purchasing this Jensen Chair.

Product Safety

Periodically check and ensure that all components are in their proper position, free from damage, and that all connectors are tight. Please note depending on the lighting, positioning and surroundings of your room, the shade of the colour can sometimes appear slightly different. Over a period of time the colour might lighten or fade slightly due to light exposure.

Product Care

To clean, slightly moisten cloth with water and wipe surfaces. A damp cloth holds dust and prevents damage. Repeat with a dry, soft, lint-free cloth. Do not use abrasives or cleaning products which may contain ammonia or solvents.

Anti-tip safety kit

We recommend using the supplied kit* to attach all draws and wardrobes to the wall to avoid any risk of tipping in use. Please ensure the correct wall fixing for your wall (not supplied).

Missing parts or faulty products

If you are missing any fixtures or fittings during assembly, or a part is unfortunately faulty please call our customer service team on 01243 380600.

** Please be aware that only certain products require anti-tipping kits. These will only be supplied as necessary, so please don't worry if this is not included with your items.*
